

Easy Instructions to Sign Up for eScrip

Please don't wait any longer!

What is eScrip?

eScrip is a company that coordinates donations from many stores. Van Meter can receive a percentage of your purchases at stores like Safeway, Lunardi's, and more, if you simply register your Safeway card and/or credit cards online at www.escrip.com. You can be giving to Van Meter without paying an extra cent.

How do I register?

1. Log on to www.escrip.com.
2. Click "Sign Up"
3. Enter "Louise Van Meter" and then click "Search"
4. Click the "Louise Van Meter School" link.
5. Click "Next"
6. Complete your contact information and click "Next"
 - Including your email account helps you the next time you want to log in.
 - You will not receive emails from escrip unless you choose to. After you register, you can manage your account under "My eScrip" and go to "email communications" if you want to confirm that you are not receiving email promotions.
7. Insert information about your Safeway and other grocery card(s) and click "Next"
 - If you don't know your Safeway card number, call: 1-877-723-3929
8. Insert information about other credit cards and click "Next"
 - As you make purchases with these cards, associated vendors with eScrip will make contributions to our school based on your purchase activity
 - Please see eScrip's Commitment to Privacy below for information about security
9. Confirm that your information is correct and click "Confirm".
 - After you click "Confirm", a screen will appear with a summary of your supporter registration information. A Supporter Identification Number will be assigned to you, which appears on this screen. You will also be asked to create your personal password, which you will need later to log on to your personal eScrip page (i.e. "my eScrip") and manage your account online.

I have an eScrip account, but I forgot my password. What should I do?

If you have forgotten your password, click on the "forgot your password" link under "my eScrip," where you would normally log in. You should get an e-mail message providing you with the password. If you do not get an e-mail within the day, it may be because you have changed your e-mail address or entered it incorrectly (note that passwords are case sensitive).

Do I register once and forget about it?

After you register, Van Meter will immediately benefit from your purchases at participating stores. There is nothing more for you to do. However, as your credit cards expire or get replaced, you do need to update your information at eScrip in order for Van Meter to continue to benefit. Simply log into escrip.com and click "My eScrip" to update your information.

What else can I do?

Ask grandparents, relatives, neighbors and friends to register for eScrip! As long as they designate "Van Meter Elementary School," the school will receive funds for purchases made at participating merchants.
